 Quotes@ALLBulbs.com

## Alternative Solution to Glass PAR

- Uniform Beam
- No spill light from back (solid reflector)
- Improved gel life (less heat forward)
- Recyclable

**Up to 50%  
Lighter in Weight**

- Easier handling
- Lower transportation costs
- Robust & durable design

## OSRAM PAR-1 Sockets

- Most robust PAR socket in the industry
- Multiple lead wire lengths
- A complete system solution for maximum lamp and socket life

## aluPAR® alternatives to heavier, non-recyclable glass PAR lamps

### The Complete Line of aluPAR® Lamps:
